

To Whom It May Concern,

My company and I have worked with Sandoukas Painting no less than a dozen times, and we cannot recommend them highly enough. George and Jimmy are reliable, honest, well-priced and fair. When we need a quote, the turnaround time is always very quick and their quotes comprehensive. Their work is beautiful: it's thoughtful and thorough. I find them collaborative and a pleasure to work with! All of their staff are friendly, professional and do a wonderful job. We partner with them so often because not only do they do a great job, they make us look good! We work on a wide variety of projects, but most of them are very high-end properties, and I trust them 100% to do the best work but also in the desired time frame.

I look forward to working with them well into the future. They are our "go-to" painters for all our jobs.

Thank you!

Best Regards,
